Subject: airport expansion

Commissioners:, Of the proposed options for the airport expansion, we favor the proposal by
Comissioner Driscoll, i.e. the 4200 foot runway which is ample we think. Federal funds cost all of us,
few people here use this airport. Large airport facilities are readily available in MissoCommissioners:
Of the proposed options for the airport expansion, we favor the proposal by Comissioner Driscoll, i.e.
the 4200 foot runway which is ample we think. Federal funds cost all of us, few people here use this
airport. Large airport facilities are readily available in Missoula; emergency life flights are already
available from Hamilton. Less is better especially in hard economic times. Sincerely, Dennis and
